- project for electronic distribution and dissemination of international cargo road transport and
- the establishment of an electronic database for transport companies for transportation of goods in Macedonia

- in cooperation with USAID and the Ministry of Transport and Communications

Around 700 representatives of transport companies who applied online for this years' distribution of International cargo transport licenses, were guests at the 2nd public electronic distribution of licenses.

"The eGov Project delivers another application that will provide Efficient, Transparent and Fair Government services", says Jerker Torngren, eGov Project Chief of Party.

"The new system totally replaces a manual "paper based" system and makes it easy to track applications and paves the way for online licensing, expected to be available by next year. We will do everthign in our power to support the education of our members in using the on-line application system," says **Biljana Muratovska General Secretary of transport union MakamTrans.**

НАЧИН НА ДОСТАВУВАЊЕ НА ИЗВЕШТАИ 4

Во случаи на збирни превози кога стоката се истовара во царински склад на соседна држава, промената на транспортна инструкција мора да биде заведена во рубрика 13 од ЦМР образец, а истото важи и за цела пратка кога има промени на транспортни инструкции. Купувачот на стока од рубрика 2 не е ист со приемиот на стоката.

ПРИМЕР:

- Зимен превоз за Македонија и Косово или Косово и Албанија - стоката се истовара во царински склад во Р.Македонија и со мали возила се запишува превозот во друг период, независно од датите во ЕКМТ/ЦЕМТ доцела.
- Превоз од Турција за Германија според податоци во ЦМР-образец, во зимската од приемиот на стоката укажува дека стоката се истовара во Чешка или Полска.

Memorandum for regional cooperation

Memorandum for regional cooperation

Under the initiative of the Association Makam-trans a memorandum on regional cooperation was signed with three regional associations:

- Association of International Road Carriers of Serbia "International transport"
- Cluster BH Logistics - Sarajevo, Bosnia and Herzegovina
- Association of carriers of Montenegro

PU „Medunarodni transport“ potpisalo je Memorandum o regionalnoj saradnji sa tri udruženja prevoznika iz regiona. U pitanju su makedonsko udruženje „Makam-trans“ iz Skoplja koje je i iniciralo potpisivanje ovog dokumenta, zatim „Udruženje prevoznika Crne Gore“ iz Kotora i bosansko udruženje „Klaster BH Logistika“ iz Sarajeva

Kako je saopšteno, potpisivanje Memoranduma predstavlja izraz posvećenosti međusobnoj saradnji i podršci

u budućim aktivnostima, a omogućice niz zajedničkih inicijativa za unapređenje uslova obavljanja međunarodnog transporta. Otvara se i mogućnost zajedničkog zalaganja kod nadležnih organa drugih država i međunarodnih institucija za jednaku primenu multilateralnih sporazuma iz oblasti drumskog transporta koji se primenjuje na prevoznike sa sedištem u državama nečlanicama EU, zatim inicijativa za uspostavljanje nediskriminatornog sistema pristupa tržištima evropskih zemalja, kao i za preispitivanje nacionalnih propisa pojedinih evropskih država koji su u suprotnosti sa pra-

vima i obavezama prevoznika definisanih nacionalnim propisima države osnivanja prevoznika i međunarodnim sporazumima. Memorandum će omogućiti razmenu iskustava između potpisnica, organizaciju nacionalnih i međunarodnih seminara, radionica, konferencija, sprovođenje zajedničkih projekata, razmenu informacija, znanja i iskustava iz oblasti transportnog prava, formiranja zajedničkih delegacija za učešće na međunarodnim događajima od interesa za prevoznike iz regiona, pokretanje projekata od zajedničkog interesa i promocija kod potencijalnih donatora. ■
